BRIEF ABSTRACT OF LETTER.

3. The Sainbany Com^t proposes to give to the St^r Sainbany officers the same rates of S. A and mileage as are allowed to Asst^r Surgeon, viz: Rs. 4/ and annas 8 respectively. It is true the minimum pay of a St^r Sainbany officer (150-10-250) is the same as that of an Asst^r Surgeon (150, 200, 250 + 300). But these rates of S. A. appear to be too high for the St^r Sainbany officers, seeing that the ^{Sainbany} Asst^r officers, whose pay was 250-50-400, were themselves getting their S. A. at these rates. (vide G.O. No. H. 2933-42/8am², 123-9-2 after 17.12.07).

Are there heated as per letter officers? What is the rate of S. A. admissible to Sub-ass^t Surgeons?

6 The appointment of St. ~~Sainy~~
officers being of recent origin, their names
do not so far appear in the history
of gazetted officers till now published.

Thus, it is not easy to say whether
these officers are treated as gazetted
officers or not.

charge of Sts, get a daily allowance of
Rs: 3 and a mileage of 6 annas.

in the fixing of the Scale of PA is the pay
and the maintenance of PA is 150/- to 250
which is equal to the pay of
Amildars & Muniffs of ^{all} classes except 1st 2.
The rate of PA drawn by Muniffs is
3 Rs per day, 6 annas per mile and
Double 2nd class by rail. It may also
be noted that sub post officers who
draw 80 to 120 also draw the same rate
of PA and it is not unreasonable
to suppose that the excess of 70 to 130 over
and above the scale of sub post is given
as a solatium for loss of private practice.
A rate of 3 Rs per day for half, 6 annas
per mile for road mileage and double
2nd class by rail for railway journeys
would seem to be fair in this case.
